DEDICATION: MR. CURTIS

It is the goal of we, the staff, to dedicate our yearbook to an outstanding individual who has contributed much of himself to the development of the school and student body and who is willing to devote his spare time in taking a personal interest in each student.

We therefore believe that the one individual who stands out above all others and has shown these qualities is Mr. Hobart "Skip" Curtis. With great enthusiasm we present him our 1967-68 Delian.

Signed Battenberg

The accomplishments of the Associated Student Body during 1967-68 were of such a nature that they will long live in the history of Piedmont Hills High School. Led by the distinguished class of '68, our students developed a cohesiveness never before seen and firmly entrenched the positive tradition of which we are justly proud.

You, our graduating class, epitomized in every way the dignity of the American education system. For this we shall always be grateful.

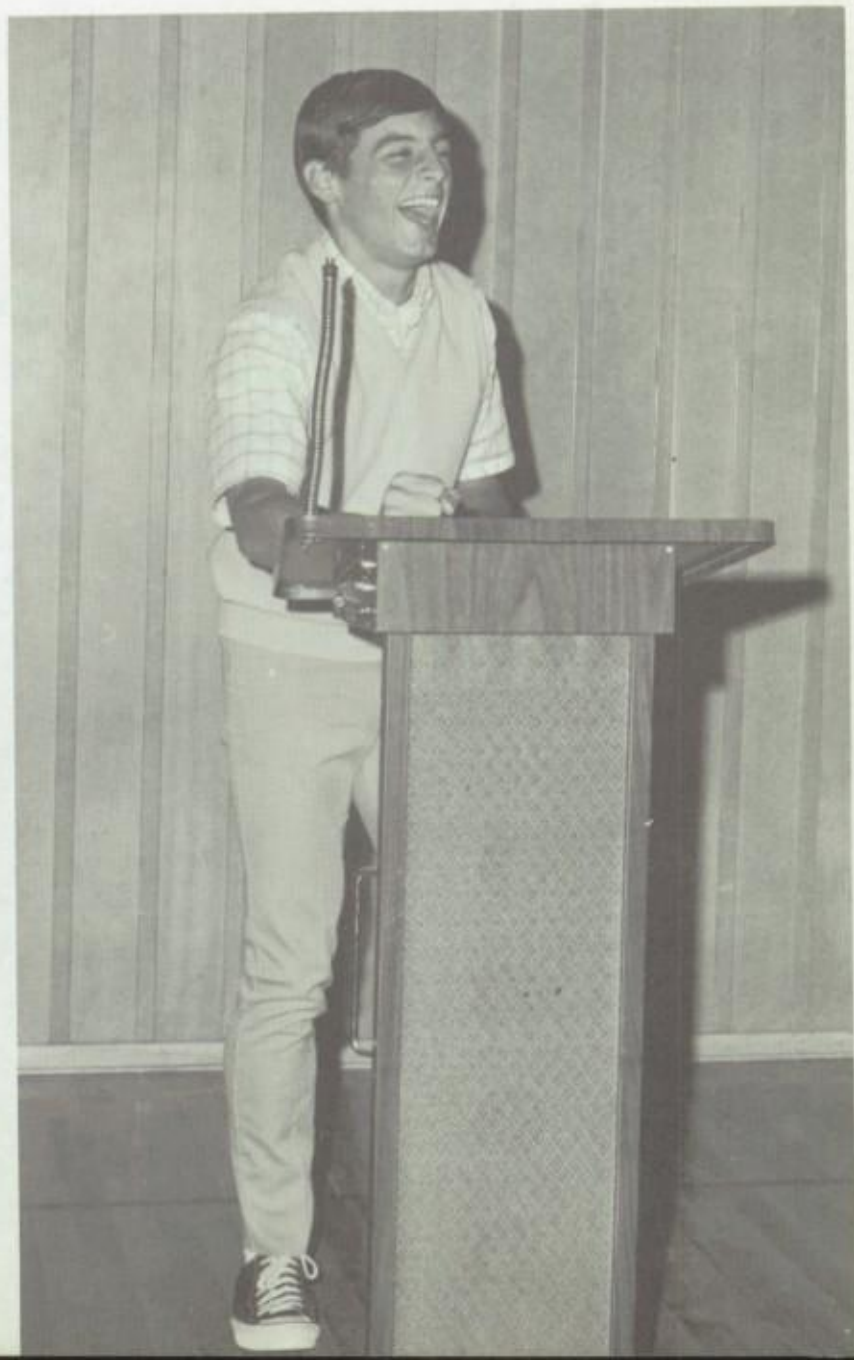
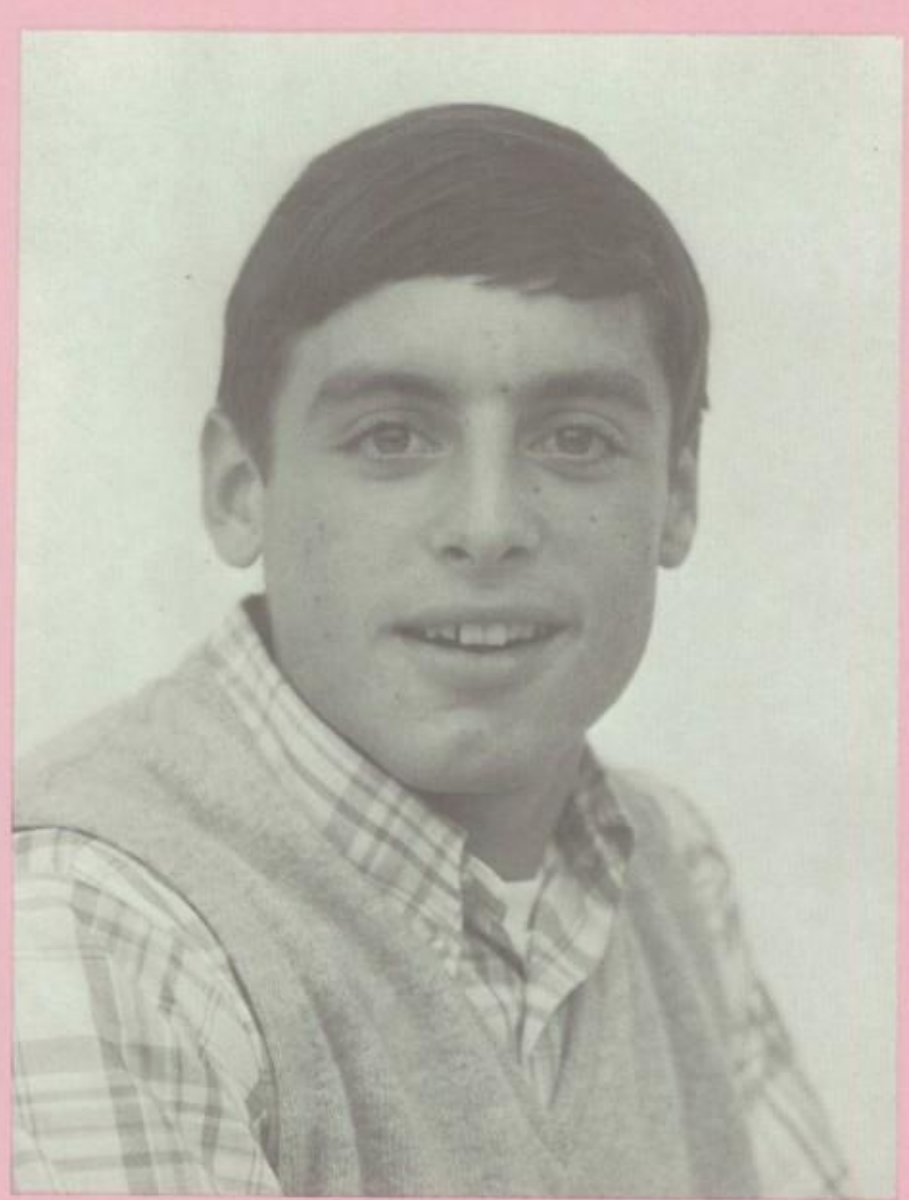
STUDENT GOVERNMENT





ASSOCIATED STUDENT

Spirit seemed to be the big word on campus this year, and you must admit, it is not too often that a school in our district can completely pack the stands at San Jose City College. Well, we did it! You might also say that we had some pretty loud rallies. Many students, for the first time, had the experience of sporting a real sore throat after those rallies, including myself. Student leaders, hardworking class advisors, and a great student body are undoubtedly responsible for this outstanding spirit.

The 1967-68 ASB Officers have contributed by far more time and effort to the good of the entire student body and its spirit than would seem possible. Each of them spent hours thinking of ideas for you, the students, and I would like to say that I was really very pleased to work with each and every one of them.

I wouldn't have enjoyed being the student body president of any other school in the country. It was a great year for all of us and I know your newly elected ASB officers will appreciate and execute their offices as well as those have done this year and in the past.

The song-girls highlighted the football games as well as the basketball games. They competed at Squaw Valley Song-girl and Cheerleader Camp and were merited with the Superior trophy. They also took second place at the Santa Clara Valley Rally Conference. They attended the annual Pompon Rally held at Kezar Stadium which featured a game between the 49ers and the Rams. An equally important part of their competitive year was the San Jose State Competition which they attended in May.

I would also like to comment on an article in the San Jose News, written by News sports writer, Jim Davis. THROUGH SERVICE

UNDERSTANDING THROUGH COMMUNICATION

THE SPEECH CLUB is one of the more active clubs on campus. Its members, working to master the art of speaking and diction, participate in Drama, KPHH and many non-curricular activities. Through the memorization of long orations, our school is entered in "acting oratory." The Speech Club has brought many honors to Piedmont Hills.

THE GIRLS ATHLETIC ASSOCIATION develops individuality and understanding through the art of sports. They play against other schools and have been winners all year. Looking at the picture, we see girls who are not only outstanding athletically, but scholastically also.

They work together to develop their art appreciation and they observe each others work and learn from it. This year they went on an outing to Sasalito and San Francisco.

THE CHESS CLUB is the newest club on campus, with one of the largest memberships. Sponsored by Mr. Langone, this club will participate in matches throughout the district. Actually this club is a cover-up for Mr. Langone's movement to take over the school.

Such committees as scenery and costumes give the students a chance to become involved without actually performing. Each year the club contributes to the entertainment of Piedmont Hills by putting on a play.

PIRATES END BEST SEASON

The Varsity Football team, under the leadership of Head Coach Gene Gagliardi, assistant coaches Ron McBride and Bill Leonti, enjoyed their first winning season in three years as they completed the 1967 campaign with a five win-four loss record. The Pirates got off to a blazing start as they powered past their first four opponents displaying a potent offensive team and a tough, rugged defensive unit. The team had many standouts as they landed three players on the first team all-league. Harley House was selected as co-Most Valuable Lineman, with Rick Alpers and Greg Osborn making first team all-league at the offensive guard and defensive linebacker positions respectively. Other team mainstays were Jerry Ruggiero, Willie Lopez, John Coughran, Joe Mosley, and Barry Fulton. Special mention should also be given to Rod Nelson, Jeff Hill, Joe Shearer, Dave Paul, and Art Hammond. Picked as M.V.P. for the team was Harley House, M.V.P. Back was Jerry Ruggiero, M.V.P. Lineman was Rick Alpers, and the Coach's Award went to Greg Osborn.

The Class of '68 has long been known as a very active one. This has been demonstrated throughout all four years of high school. Beginning as lowly freshmen at Ayer, under the guidance of Presidents, Mike Luevano and Kathy Cardoza, we sponsored the freshman dance, "Shamrock Shindig." Our first first-place was taken in the Turkey Trot and Janie Crump was crowned as queen.

Under sophomore President Barbara Masuda we co-sponsored the Frosh-Soph Dance, "Cupid-A-Go-Go" and various car washes.

Beginning in our Junior year under the officers Keith Takata, Connie Fernandes, and Kris Peterson, we took first place in the Junior-Senior candy sale and co-sponsored the Junior-Sophomore Talent Show. The highlight of the year was the Junior Prom held on April 15.

Entering our Senior year, under the leadership of Keith Takata, Craig French and Connie Sexton, we held a Senior Social, Senior Parent Night, Senior Breakfast and again took first place in the Junior-Senior candy sale, a feat never before accomplished by a senior class. We again co-sponsored the talent show. The highlight of our high school years was the Senior Ball, "Reflection de Memoires," held at the La Rinconada Club, May 18. Following were various activities such as Senior Picnic, Senior Breakfast, and Senior Dinner. All have contributed to make the Class of '68 a class to remember.

SENIOR DEDICATION

RUSSELL A. BAILEY

It is with great pride that the Senior Class of 1968 presents its dedication to the man who is responsible for our success, Mr. Russ Bailey. He has been the driving force behind our entire class and for this we thank him. Without his support and guidance we would never have been the strong class that we are. Each one of us extends a personal thanks for all the time he has devoted to us.

If in the twilight of memory
we should meet once more,
We shall speak again together
and you shall sing to me a deeper song.

And if our hands should meet
in another dream,
We shall build another tower in the sky.

Remember

The Delian League was formed to bring glory and enrichment to Greece. This was achieved by sending out adventurers to other countries and bring riches back to their own country. Another way they accomplished this enrichment was by presenting the Delian wreath or crown to the most outstanding competitor who brought glory to the city and state.

In the same way our school receives honor and enrichment through the students. The athletes bring glory to our school through the various championships and trophies and in this way bring pride to themselves. The bringing of enrichment to the school is applied to all fields of learning: art, drama, homemaking, crafts, speech, and business.

We offer our yearbook as a Delian crown to all students of Piedmont Hills High School hoping the pictured moments contained herein will bring a wealth of memories and treasured friendships for those who brought honor to us and to our school.
